

REPORT for District Governor/District 12 Conference Oct 29-31,
2009

Madame Governor,

As Area 1 Vice Director, I have been shadowing an excellent example of a dedicated Zonta Area 1 Director, Ms. Tracy Manning-Egge. To begin our term of office after the last conference, Tracy and I had a meeting with Mary Benoit and Jacqueline Sammons. Mary had everything very well laid out and presented it all with handouts and she encouraged questions. Tracy had her spring Area 1 meeting planned to be held in Glendive, Mt. When the day to travel arrived, Tracy was unable to go due to her mother's ill health. I attended the conference with other members of our club, and brought the information back for Tracy. It was an excellent Area 1 conference.

I have witnessed Tracy's attempts to contact other clubs, as I am on her e-mail list for the district. She always has timely messages and always about Zonta business.

In September, Tracy and I traveled to Pierre/Ft. Pierre for the Zonta Club's evening meeting. We had wine/snacks and enjoyed hearing the projects of this very active club. Tracy did a presentation and I added a comment on the birthing kits that we are making at the District conference. The members were excited about the conference and several said they would like to come. So far, that is the sum of which we/I have accomplished as Vice Area 1 Director.

Respectfully submitted,

Jo Prang, Vice Area 1 Director
President, Zonta Club of the Black Hills
