

As Area 2 Vice Director my role is to support the governor, the board, and particularly the Area 2 Director. My activities in the 2008-2009 biennium have been:

- Assist in planning the Board meetings for June 2008 and June 2009 held in Cheyenne.
- Attend District 12 conference and Area 2 meetings each year
- Take minutes in the absence of the District secretary
- Assist in planning for a new club in Greeley
- I have been able to visit all clubs in Area 2 :
  - Converse County in 2008 to discuss their continuing as a club
  - Laramie for the Fashion Show in 2008 ( planning to attend 2009)
  - Fort Collins for the May meeting when new members were inducted
  - Cheyenne for most club meetings and many committee meetings
  - Converse County when they hosted the Area 2 meeting in April 2009

I really enjoy meeting the members and learning what the projects and fund raising activities are. I especially enjoy the board and all the hard work that is accomplished and planned.
